

Transfer items and text from time appointments to an order in Helios

NPT

From the order press the NPT button

And select Get data from NPT (NotaPlanTime)

The screenshot shows the 'Sölu Pöntun' window in the Helios software. The window title is 'Sölu Pöntun'. The interface includes a toolbar with various icons, including a button labeled 'NPT'. A context menu is open over the 'NPT' button, showing options: 'Lookup order in NPT', 'Transfer data to NPT', 'Get data from NPT' (which is highlighted), and 'Settings'. Below the toolbar, there are several tabs: 'Almennt', 'Pöntun', 'Viðskiptavinur', 'Ókutæki', 'Sending', 'Object', and 'Ýmisli...'. The main area contains a form with various fields for order details, such as 'Tegund', 'Upphafsstæða Invoice', 'Viðskiptav.', 'Nafn', 'Heimilisfang', 'Póstnr', 'Pöntun Nr.', 'Reikn.Nr.', 'Req.nr', 'Árgi', 'Framleiðandi', 'Módel', 'VIN', 'umaður', 'LHV86', 'Basis Nr.', and 'Akstur'. Below the form is a table with columns: 'Vöru nr.', 'Texti', 'Fjöldi', 'Söluverð', 'Afst. %', 'Samtals', 'VSK Status', and 'Á Lager'. The table contains three rows of data. At the bottom of the window, there is a summary section with fields for 'Currency', 'Gross', 'Net', 'Discount', 'Discount %', 'VAT', and 'Total', along with buttons for 'Save', 'New', and 'Cancel'.
